CRAFT | LESSON 2

JESUS RAISES LAZARUS BOOKLET

This week, the kids are learning that Jesus has God's big and strong power. They will make their own booklet to remind them of the story of Jesus raising Lazarus from the dead. Remind the kids that this amazing miracle could only happen with God's power.

DIRECTIONS

PREP

1. Print out Jesus Raises Lazarus printable double sided on 8.5x14 cardstock.
 - Print on short edge (right) to make sure the image prints properly.
2. Gather the printables and crayons for the leaders.

MAKE

1. Pass out the printables and crayons to the kids. Show them an assembled booklet so they see what they are making.
2. Allow time for kids to color.
3. Help kids fold the paper on the fold lines to create the booklet.
4. As the kids finish their craft, discuss the talking points and Bible story.
5. Point to Jesus on the front of the booklet. Ask the kids, *What is Jesus saying?* Have them practice shouting, *Lazarus, come out!*
 - As the kids shout, open the booklet to reveal the inside image.
6. Go over the inside of the booklet and read over the Big Idea.
