

HEY-O JESUS

ACTIVITY | LESSON 2

GOD'S POWER GAME

In this activity, the children will have fun identifying the different times Jesus showed God's power. The kids will have to listen for the different numbers and find the story of Jesus using God's amazing power.

DIRECTIONS

PREP

1. Print out God's Power Stories printable on cardstock. (1 set per class.)
2. Gather printable pieces and one big, foam dice for the leaders.

PLAY

1. Tape the God's Power Stories pieces on the floor in number order, spaced a foot apart.
2. Explain, *Today we learned that Jesus has God's big and strong power. That means he was able to do many amazing things. We are going to learn more about the amazing things Jesus did in a game called God's Power.*
3. Explain the rules:
 - Each child gets a turn rolling the big foam dice. Call out the number for the kids out loud.
 - The kids will run and stand on the number it lands on.
 - Once all the kids are there, the leader will read what is written on the floor piece.
4. After you help them discover what is happening in the picture, ask the child, *What big and strong miracle did Jesus do with God's power?*
5. Continue until each child has had a turn. (If you don't get to all the stories, review the ones you didn't cover before you move on.)

SUPPLIES NEEDED

God's Power

printable

Big foam
dice

Painter's
tape

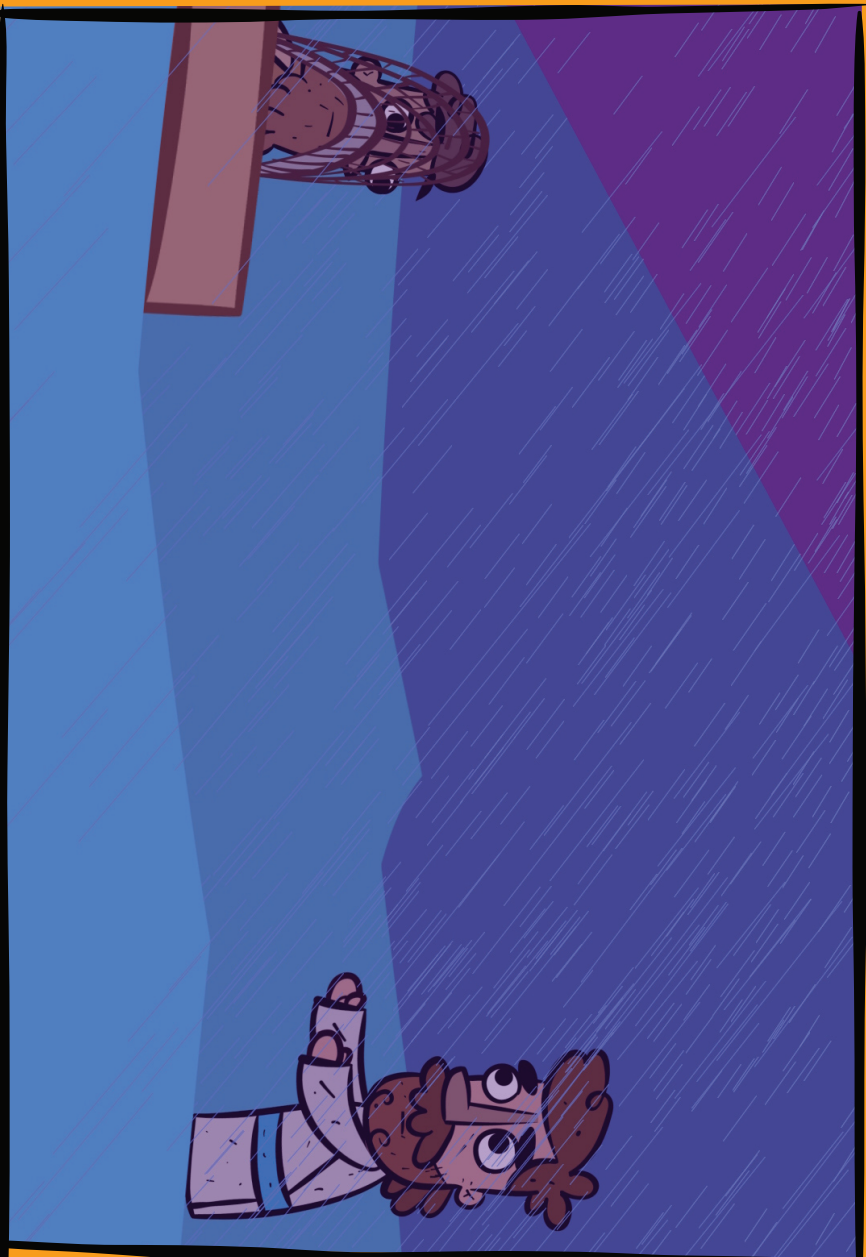

BIG IDEA

Jesus has God's big and strong power.

Jesus told Lazarus to come out of the tomb and raised him from the dead.

**Jesus told the winds and the waves
to be silent and be still.**

2

**Jesus walked on water to give
courage to his disciples.**

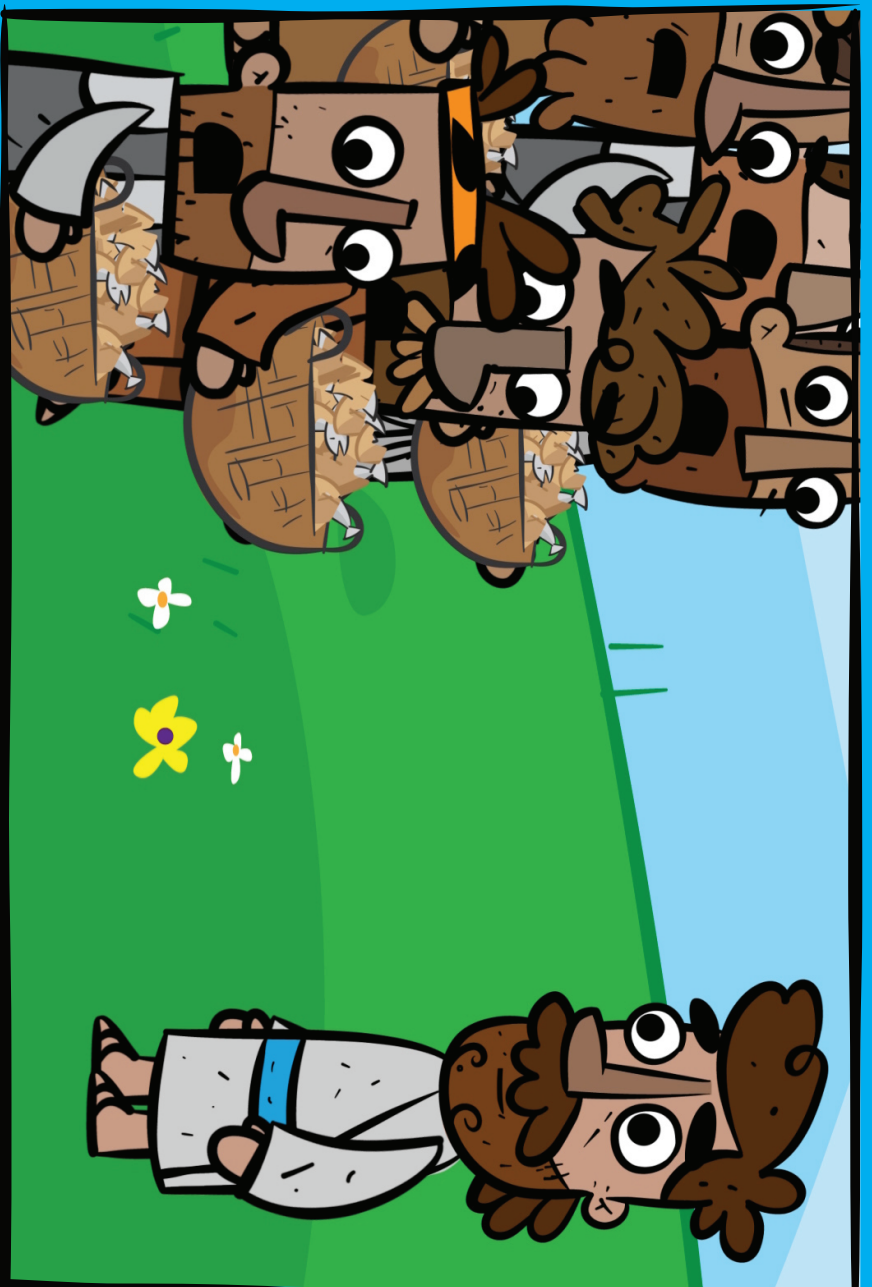

3

**Jesus healed 10 lepers and one came
back to thank him.**

Jesus made food out of a little bit.

5

**Jesus was raised from the dead
after three days.**
