

MY FRIEND JESUS

CRAFT | LESSON 6

JESUS LOVES ME BAG

This week, the children learned about the kind of love Jesus shows – he loves no matter what. Kids will use this craft to remember Jesus loves them always – no matter how they feel. Children can remember that our friend Jesus says we can love others, too.

DIRECTIONS

PREP

1. Print out the Jesus Loves Me Bag and Jesus Loves Me Hearts printables.
2. Cut out the printables.
3. Gather crayons, paper bags, glue, and printable pieces.

MAKE

1. Pass out the printables (1 set of each per child) and paper bags (1 per child) to the kids.
2. Allow time for kids to color and decorate their bags.
3. Help them write their name on the Jesus Loves Me Bag printable.
4. Glue the Jesus Loves Me Bag printable to the outside of the bag
5. Discuss the talking points and each heart printable.
 - *Hearts help us think of the word love.*
 - *Jesus loves you no matter what. That means he loves you when you feel [name each of the emotions on the hearts with the kids].*
 - *Jesus loves us even if we do something bad or wrong; he loves us by forgiving us. He promises to help us and makes us feel special with words and stories from the Bible.*
