

FRUIT OF THE SPIRIT

TALK IT OVER | LESSON 3

Hey parents! This week your child learned about **faithfulness**, which is a Fruit of the Spirit. They heard the Bible story of **The Apostles and the High Council**, too! Use these questions as a guide to talk over this week's lesson after they've watched the video service!

1. What was your favorite part of the video we just watched?
2. How did the apostles show faithfulness?
They stood up for what was right no matter what! They shared the Good News about Jesus to everyone, wherever they were, because that's what God wanted them to do.
3. Why were the apostles faithful to share the message about Jesus?
The apostles knew and loved God. They showed faithfulness because they had the help of the Holy Spirit to share God's love and faithfulness.
4. What does it mean to be faithful?
Being faithful means, you will do what is right no matter what. You stand up for what you believe in because it is the right thing to do.
5. Is it easy to be faithful and do what is right no matter what? What are some things that make being faithful difficult?
It not always easy to be faithful and do what is right. It can be scary to do what is right if other people are telling us no or are mean to us about it. But each time we do what is right and are faithful to God, we become more like him. He will help us. When we belong to God's family, the spirit God gives is of power, love, and self-discipline.
6. How can you remain faithful and do what is right?
We can pray and talk to God and ask for his help. We can also talk to other people who love God, too. They can encourage us and help us know what to do when we don't know what is right.
