

DANIEL

TODDLER | TALK IT OVER

Hey parents! Use these questions as a guide to talk over this week's lesson, **Daniel**, with your child after they've watched the video service!

1. Who did we see in the Bible story that was friends with God? *Daniel. God wants to be your friend, too.*
2. What kind of animal was in today's Bible story? *Lions! Let's roar like lions!*
3. Did the lions hurt Daniel? *No! God saved Daniel by shutting the lions' mouths tight!*
4. Can you shut your mouth tight like the lions? *That's right! See? You can't chomp with your mouth closed!*
5. How did Daniel talk to God? *He prayed!*
6. Just like Daniel prayed and talked to God, we can talk to God, too. Take some time to pray with your toddler. Encourage them to sit with you and fold their hands, saying something like: "God, thank you for loving me. I'm so happy you want to be my friend. Thank you for the Bible, your special book to me. We love you! Amen."
