

EASTER

TODDLER ACTIVITY | LESSON 3

I-SPY EASTER

In this activity, the children will get to find different picture elements around the room from the Easter story. This will help them become more familiar with some of the key visuals from the Easter story and remember that God loves them.

DIRECTIONS

PREP BEFORE SERVICE

1. Print out as many I-Spy Elements printables that you need so each child has a picture from the story to find.
2. Cut out each image from the printable.
3. Before the activity starts, tape the images around the room in prominent places.

DURING THE SERVICE

1. Gather the kids and say, *We're going to play a game. There are some pictures from the Bible story hidden around the room. Everyone go find one picture and bring it back here.*
2. As the kids find pictures, say what the picture is and say something like, *Great job! You found...*
 - A cross. *The cross reminds us that Jesus died for us. God loves you so much.*
 - Jesus. *He's alive. God loves you so much.*
 - A Roman soldier. *The strong soldiers protected Jesus' tomb!*
 - A donkey. *Jesus rode on a donkey into Jerusalem because he loves you so much.*
3. End your time playing by reminding the kids that *Jesus is alive and he loves them.*
