

GOOD SAMARITAN

TODDLER ACTIVITY | LESSON 3

PRETEND HOSPITAL

In this activity, the children will get to pretend to take care of the sick. This will help remind them of how the Good Samaritan took care of the hurt man.

DIRECTIONS

PREP BEFORE ACTIVITY

1. Prepare people, figurines, or stuffed animals, Band-Aids, and doctor tools for the leaders.
2. Have each child wear their stethoscope craft.

DURING THE SERVICE

1. Set out people figurines and or stuffed animals on a table, along with Band-Aids and doctor supplies.
2. Let the children free play and have fun taking care of patients in their pretend hospital.
3. While you play, discuss the talking points:
 - *Oh no! What's wrong with your toy friend?*
 - *How can you help it feel better?*
 - *Can you check their heartbeat with your stethoscope?*
 - *God made everyone and loves everyone. We can be kind and help people. Hooray!*
